

Kearsarge Wildcat Football and Cheerleading 2009 Fundraising

The Kearsarge Wildcat Youth Football and Cheerleading Association is a not-for-profit organization developed to provide athletic activities for community youth in the sports of football and cheerleading in a safe and positive athletic environment. The Kearsarge Wildcats have been organized since 1996 and our primary Wildcat territory ranges from **Hopkinton/Contoocook, Hillsboro, Warner, Sutton and Bradford and north through Newbury, Sunapee, New London, Wilmot, and Springfield.**

*We are asking you to support our athletes by providing a donation from your local business valued at \$20.00 or more. This prize will be raffled at one of our home games and **your business name and location will be read over the loud speakers at one of our highly attended 2009 Home Games!***

These monies help us, in part, maintain safe equipment for all our athletes & scholarships to ensure every child who wants to play, can!

KWFC is a Not-for-Profit, fully volunteer run program. We do it ALL for the love of the game & the love of the kids!

Kearsarge Wildcat Football & Cheerleading families and athletes SINCERELY thank you for your recognition & support!
